

Conflict Escalation Map

A practical frame for how disagreement is raised and moved toward resolution.

Use this worksheet as a preparation tool before a family meeting, advisory conversation, or governance review.

Reflection prompts

- 01** Name the issue before naming positions or blame.
- 02** Decide which forum should hear the issue first.
- 03** Clarify who has authority to recommend, decide, or mediate.
- 04** Protect confidentiality when individual perspectives are sensitive.
- 05** Document the decision path so disagreement does not return as confusion.
