

Ownership Alignment Primer

Questions for family shareholders before decisions become personal.

Use this worksheet as a preparation tool before a family meeting, advisory conversation, or governance review.

Reflection prompts

- 01** What does ownership mean beyond legal shares?
- 02** Which decisions belong to owners, the board, management, or the family council?
- 03** How should dividends, reinvestment, and liquidity expectations be discussed?
- 04** What information should owners receive, how often, and in what format?
- 05** Where do branches of the family currently interpret ownership differently?
