

Shareholder Information Rhythm

A guide for deciding what owners receive, when, and through which channel.

Use this worksheet as a preparation tool before a family meeting, advisory conversation, or governance review.

Reflection prompts

- 01** Define what information every shareholder should receive by default.
- 02** Separate financial reporting, strategic updates, family updates, and urgent notices.
- 03** Choose a rhythm: monthly, quarterly, annual, or event-based.
- 04** Clarify who prepares information and who can answer questions.
- 05** Review whether the rhythm builds trust or creates unnecessary noise.
